# CHAIRMAN'S LETTER TO SHAREOWNERS 2010 THIRD QUARTER

"This demanding year continues to test our company but we are demonstrating, once again, the drive and focus on achieving our goals." - ANTHONY BUTLER, PRESIDENT & CHIEF EXECUTIVE OFFICER

#### **Dear Shareholders:**

In striving to become the proven partner of choice for communications throughout The Bahamas, your Company continues to improve its infrastructure, streamline all expenditures and explore new and exciting ways to grow revenue. We are optimistic that by year-end we will be successful in concluding an arduous regulatory task of preparing the company to become a fully integrated telecommunications provider. Thus far it has been a challenge, however we remain focused on achieving our goals for 2010.

For the nine month period ended September 30th 2010, revenue reached \$66.6 million, exceeding the 2009 results by \$3.3 million which represents an increase of 5.1%. Year-to-date earnings before For the nine months ended September 30th 2010 interest, taxes, depreciation and amortization (EBITDA) decreased by \$3.5 million or 10.2% from capital expenditures. The network digitalization \$34.4 million in 2009 to \$30.8 million. This decrease is project required to decouple the broadband and directly related to increased regulatory fees and analogue TV offerings continued during this period. expenditures related to new regulatory requirements, increased electricity rates and increased staff costs operation for CBL, which will impact its complete associated with health and National Insurance contributions. These increases contributed to the year over year decrease in net income by \$8.7 million broadband services. Once completed, the or 38.1% to \$14.2 million. Total dividends paid on digitalization program would enhance the quality and ordinary shares during the nine month period ended September 30, 2010 amounted to \$3.3 million superior video, broadband and voice services representing 23.1% of net income.

During the third quarter of 2010, your Company's total revenues reached \$22.3 million which is 5% ahead of the same period of 2009. Although operating expenses during the same period increased to \$11.9 million in 2010 up from \$9.6 million in 2009, the Company was not able to hold off a decrease in net income as it settled at \$4.7 million in 2010 as compared to \$8.1 million achieved in the third quarter of 2009, a decrease of 42%. With the strength of the two previous quarter end results the Company is still on its way to coming within planned expectations for the fiscal year.

Your Company's core business - cable television, once again performed well as year over year revenue increased by 5% at the end of the third quarter, up from \$33.7 million to \$35.4 million. This increase in cable tv revenue is due mainly to increases in basic, digital and PPV revenue of 2%, 7% and 2% respectively over the same period in 2009. Late in the third quarter the "Bahamas Real Estate Channel" -Cable Channel 50 which is on the basic channel lineup was launched exploring a new business segment and revenue stream for the company. This new channel will focus on the Bahamian real estate market providing sellers, buyers, brokers, agents, its efforts in this third quarter in granting awards to firms and industry partner's unprecedented spotlight worthy community focused charitable youth on the realty world of The Bahamas.

Consistent subscriber growth remained the theme with regards to the company's broadband Internet subscribers for the period ended September 30th 2010. Year over year subscriber numbers compared to the same period last year grew by almost 2.100 or by 4.8%. Broadband revenue increased by 5.8% from \$20.8 million, up from \$19.7 million over the same

Your company's data revenue also remained consistent showing an increase of 4.1% year over year from \$10.0 million for the same period in 2009 to \$10.4 million to the end of the third quarter of 2010. Strength in this business segment is evident despite the stressed economic environment.

Cable Bahamas Ltd invested over \$11.2 million in This network digitalization represents a major customer base on the islands (i.e. New Providence. Grand Bahama, Abaco and Eleuthera) where it offers reliability of our network and enable the provision of directly to customers. The benefits to customers would include not only the improvement of picture and sound quality but also the provision of increased channels, enhanced features, more advanced services such as High Definition TV (HDTV) and other future services like Video on Demand VOD). Additionally, work commenced on the launching of a SVOD (Subscription Video-On-Demand) product as part of the newly contracted HBO LA service. This will enable customers to enjoy the HBO product using a new video on demand platform. This introduction of VOD marks a first for The Bahamas market and demonstrates the innovation of the company.

Our Cable 12 Community Channel continued its quest to provide quality programming to the Bahamian community by extending its lineup with the introduction of "Student of Substance" - a thirty minute television profile. This programme is designed to feature young Bahamian students who are excelling academically while simultaneously making a contribution to the local community. Our NB12 news programme continues to be energetic and a cutting edge newscast with growing viewership averaging

Cable Bahamas Cares Foundation (CBCF) continued endeavors. CBCF awarded over \$66,000 in grants

during the third quarter alone. The projects this As we move towards the end of 2010, we remain quarter covered all areas of our local community very optimistic about your Company's future, including academics, sports, music, theatre, the environment, and computer literacy. Two standout projects included a children's computer lab in the Market Street and Wulff Road area partnering with the Great Commission Ministries International: and a community computer lab for children and adults in the Meadow Street and Hospital Lane areas partnering with the Bain & Grants Town Advancement Association.

despite the many challenges presented.
