The Chairman explained that new Articles 53A and 53B under Proceedings of General meetings address the responsibility of members to attend a general meeting by electronic means and to vote at such meetings and authorizes the Chairman to make arrangements to ensure security measures for electronic communications and the identification of individual members attending electronic meetings are carried out.

The existing Amended and Restated Articles were to be further amended by deleting Schedules 2,4,5 and 6 which related to United States Dollar Preference Shares Series 8, 10 and 12 respectively which were redeemed effective 30th June 2020 and Series 11 upon which early redemption notice was served. The Chairman then requested a motion for the acceptance and approval of the amendments to the Amended and Restated Articles of Association.

A motion was duly moved by Mr. David Burrows and seconded by Mr. Michael Fernander and was unanimously carried.

The Chairman inquired as to whether there was any other business.

**20. Termination**
